REPORT OF THE TIME AND PLACE COMMITTEE

Because of the need to be able to make a decision six years in advance on the site for the General Assembly, the Time and Place Committee is presenting recommendations in the Assembly for both the 1995 and 1997 General Assemblies.

Upon the recommendation of the Partnership Committee and by action of the Administrative Committee, the Time and Place Committee has been directed to recommend a site for the 1997 General Assembly in conjunction with the Executive Council and staff of the United Church of Christ. The goal is to have the opportunity for a second General Assembly to be held concurrently in the same location with the General Synod of the United Church of Christ.

Therefore the General Assembly Time and Place Committee makes the following recommendation:

That the 1995 General Assembly of the Christian Church (Disciples of Christ) be held in Pittsburgh, Pennsylvania, October 20 - 25, 1995; and

That the 1997 General Assembly be held in Denver, Colorado, on six days falling within July 25 - 31, 1997.
