

No. 8354

RESOLUTION CONCERNING MAXIMUM EMPLOYMENT

ADOPTED by the General Assembly

WHEREAS, the Christian Faith is concerned with both the spiritual and physical well being of all persons, and

WHEREAS, the continued high unemployment rate makes it impossible for many people to enjoy and share basic physical resources and results into serious personal and social problems, and

WHEREAS, the life blood of the economy of our country depends on the productivity of industry being shared by the greatest number of people possible, and

WHEREAS, one mark of economic recovery is increased employment opportunities, and

WHEREAS, this concern has been raised in previous times of economic crisis by the Christian Church (Disciples of Christ) in its conventions and assemblies,

THEREFORE, BE IT RESOLVED that the General Assembly of the Christian Church (Disciples of Christ) meeting in San Antonio, Texas, September 23-28, 1983, urge its congregations and individual members to ask their congressional representatives to initiate and support legislation that will increase employment opportunities for all those seeking work so that a maximum number of our citizens may be able to share in the material resources basic to the essentials of living.
